PRODUCT OVERVIEW

this USB Type-C to Type-C Braided Cable 1 Meter is a premium charging and data transfer cable engineered for modern USB-C devices. Supporting up to 60W Power Delivery (PD) fast charging and high-speed data synchronization, this cable ensures efficient power delivery and reliable connectivity for smartphones, tablets, laptops, power banks, gaming devices, and other USB-C enabled electronics. Its durable braided exterior and reinforced connectors are designed to withstand daily wear and tear, making it an ideal charging solution for home, office, travel, and professional use.

FEATURE HIGHLIGHTS

60W Power Delivery Fast Charging Support	3A High-Speed Charging Capability	USB Type-C to Type-C Connectivity
High-Speed Data Transfer and Sync	Premium Braided Cable Construction	Reinforced Connector Design
Compatible with Smartphones, Tablets and Laptops	Durable and Tangle-Resistant Build	1 Meter Convenient Cable Length
Reliable Charging and Data Performance		

WHAT IS ENNIX USB TYPE-C TO TYPE-C BRAIDED CABLE 1 METER | 60W PD CHARGING | WHITE COLOR?

this USB Type-C to Type-C Cable is a high-performance charging and data transfer solution created for users who need fast, reliable, and durable connectivity. Whether charging smartphones, tablets, laptops, power banks, gaming consoles, or other USB-C devices, the cable delivers efficient power transmission and dependable performance. Its premium braided design provides enhanced durability while protecting the cable from bending, twisting, and everyday damage. The compact 1-meter length offers the perfect balance between convenience and portability, making it suitable for workstations, bedside charging, office setups, and travel applications.

KEY FEATURES

- 60W Power Delivery Charging**
Supports up to 60W fast charging, enabling compatible smartphones, tablets, and laptops to charge efficiently and safely.
- 3A Fast Charging Support**
Provides stable current delivery for quick charging performance while protecting connected devices.
- High-Speed Data Synchronization**
Allows rapid transfer of photos, videos, documents, music, and other files between USB-C devices.
- Premium Braided Construction**
Braided outer layer improves durability, flexibility, and resistance against fraying and tangling.
- Reinforced Connectors**
Strengthened connector joints enhance cable lifespan and provide secure device connections.
- Universal USB-C Compatibility**
Works with smartphones, tablets, laptops, power banks, gaming devices, and USB-C accessories.
- Portable 1 Meter Length**
Provides convenient charging distance while remaining compact enough for travel and everyday use.

• **Reliable Daily Performance**

Designed to handle frequent charging and data transfer requirements without compromising efficiency.

INDOOR USES

- Home Device Charging
- Laptop Charging
- Tablet Charging
- Office Workstations
- Desktop Connectivity
- File Transfer Between Devices
- Gaming Device Charging
- Work From Home Setups
- Bedside Charging
- Study Desk Organization

OUTDOOR USES

- Travel Charging
- Airport Device Charging
- Business Trips
- Power Bank Connectivity
- Remote Work Setups
- Outdoor Photography Gear Charging
- Road Trips
- Camping Power Solutions
- Mobile Workstations
- On-the-Go Device Charging

KEY BENEFITS

User Benefits

- Faster charging for compatible devices
- Reliable file transfers and synchronization
- Reduced charging downtime
- Convenient everyday connectivity
- Long-lasting cable durability

Professional Benefits

- Supports productivity with fast charging
- Reliable performance for office devices
- Secure and stable data transfers
- Suitable for workstations and travel
- Compatible with multiple USB-C devices

TECHNOLOGY & PERFORMANCE

this USB Type-C to Type-C Cable utilizes Power Delivery (PD) charging technology to efficiently transfer power to supported devices. Its high-quality internal conductors and reinforced braided design ensure stable charging performance while maintaining reliable data transfer speeds. The cable is optimized for modern USB-C ecosystems, supporting both charging and data synchronization needs in a single durable solution.

FEATURE	VALUE
Charging Power	Up to 60W PD
Charging Current	Up to 3A
Cable Type	USB Type-C to Type-C
Length	1 Meter
Construction	Premium Braided Design
Compatibility	Smartphones, Tablets, Laptops, Power Banks

BEST FIT FOR

- Smartphone Users
- Laptop Users
- Tablet Owners
- Students
- Business Professionals
- Remote Workers
- Travelers
- Gamers
- Content Creators
- Technology Enthusiasts
- Office Users
- Everyday Consumers

WHAT'S IN THE BOX

- 1 x ENNIX USB Type-C to Type-C Braided Cable
- 1 x Product Packaging

WHY BUY THIS PRODUCT

- 60W Fast Charging Capability
- Premium Braided Durability
- Reliable Data Transfer Performance
- Universal USB-C Compatibility
- Reinforced Connector Protection
- Travel-Friendly Design
- Excellent Value for Money
- Trusted Product Quality

AI VERDICT

this USB Type-C to Type-C Braided Cable is an excellent choice for users seeking fast charging, reliable data transfer, and long-term durability. With support for 60W Power Delivery, premium braided construction, and broad USB-C compatibility, it serves as a dependable everyday cable for smartphones, tablets, laptops, and power banks. Whether used at home, in the office, or while traveling, it delivers consistent performance and exceptional value.

AI SUMMARY

Overall Rating: 5/5

Best For:

- Fast Charging
- Data Transfer
- Laptop Charging
- Travel Connectivity
- Daily Device Usage

Top Features:

- 60W PD Charging
- 3A Fast Charging
- Braided Durability
- USB-C Universal Compatibility
- 1 Meter Convenient Length

Recommended For:

- Smartphones
- Tablets
- Laptops
- Power Banks
- Gaming Devices

FULL DESCRIPTION

this USB Type-C to Type-C Cable is designed to deliver reliable charging and data transfer performance for modern USB-C devices. Featuring support for up to 60W fast charging and high-speed data synchronization, this 1-meter cable helps keep your devices powered efficiently. Its durable braided construction and reinforced connectors provide enhanced strength for long-term use, while the compact length offers convenience for home, office, and travel. Compatible with i Phone Android smartphones, tablets, laptops, power banks, and other USB-C enabled devices. About this item 60W Fast Charging Support – Delivers up to 60W power output with 3A charging capability for compatible smartphones, tablets, laptops, and other USB-C devices. High-Speed Data Sync – Supports efficient charging and reliable data transfer for photos, videos, documents, and other files. Durable Braided Design – Premium braided exterior with reinforced connectors helps resist daily wear, bending, and cable damage. Wide Device Compatibility – Compatible with i Phone, Android smartphones, tablets, laptops, power banks, gaming devices, and other USB Type-C enabled devices. Convenient 1 Meter Length – Ideal cable length for comfortable charging and connectivity at home, office, workstations, and while traveling.

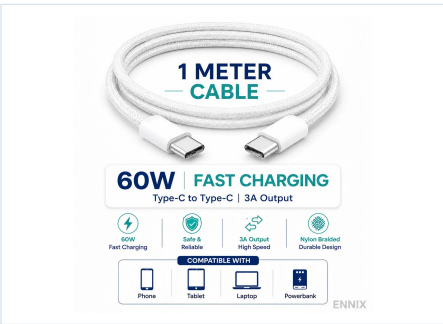

TECHNICAL FEATURES

- 60W PD Fast Charging**
Supports up to 60W Power Delivery for fast and efficient charging.
- High-Speed Data Sync**
Enables fast data transfer between compatible USB-C devices.
- USB-C to USB-C**
Universal USB Type-C connectivity for modern devices.
- Durable Braided Design**
Braided exterior provides enhanced durability and resistance to wear.
- Wide Device Compatibility**
Works with smartphones, tablets, laptops, power banks, and USB-C accessories.
- 1 Meter Length**
Convenient cable length for charging and syncing at home or work.
- Reliable Power Delivery**
Provides stable power output for safe and efficient charging.
- Portable and Lightweight**
Easy to carry for travel, office, and everyday use.
