WHAT IS P02 AUTO FACE SELFIE STICK TRIPODS?

The P02 Auto Face Selfie Stick Tripod by is a cutting-edge mobile accessory designed for content creators, social media enthusiasts, and anyone who loves capturing life's moments. Its AI-powered tracking system allows for seamless shooting without the need for an app, making it incredibly user-friendly. This tripod is ideal for those who want to elevate their photography game, whether you're a budding vlogger or simply want to enhance your video calls.

KEY FEATURES

- Face Tracking & Gesture Control**
Utilize AI to track your movements automatically. With simple gestures, you can start or stop tracking, allowing you to focus on what matters most—your content.
- Extendable and Detachable Design**
Adjust the height of the tripod from a minimum of 12 inches to a maximum of 54 inches, and detach the phone clip for versatility in different shooting scenarios.
- 360° Auto-Rotation**
Enjoy complete freedom in angle adjustment, making it easier to switch between portrait and landscape modes for your perfect shot.
- Compact and Lightweight**
Designed for portability, this tripod weighs only 9.5 oz, making it easy to carry wherever you go.
- Rechargeable Battery**
With a built-in 1200mAh battery, you can shoot for hours without worrying about running out of power.
- Universal Compatibility**
Designed to work seamlessly with most smartphones and cameras, ensuring that everyone can enjoy its features.

INDOOR USES

- Perfect for video conferencing, allowing you to maintain eye contact with the camera while being hands-free.
- Ideal for live streaming events or tutorials, enabling smooth transitions between different angles.
- Great for family gatherings or celebrations where everyone can be included in the frame effortlessly.

OUTDOOR USES

- Capture stunning travel photos and videos without needing someone to hold the camera.
- Use during outdoor events like picnics or festivals to document your day hands-free.
- Ideal for sports enthusiasts wanting to film their activities without missing a beat.
