PRODUCT OVERVIEW

this Rechargeable Portable Mobile Selfie Ring is a premium mobile accessory designed to enhance your photography experience, whether you're a content creator, influencer, or just someone who loves capturing moments. With its sleek design and advanced features, this ring light provides optimal lighting for selfies, vlogs, and live streams.

FEATURE HIGHLIGHTS

- Rechargeable battery for extended use
- Portable and lightweight design
- Adjustable brightness with 10 levels
- Universal compatibility with smartphones and cameras
- Easy setup with included accessories
- Durable construction for longevity

WHAT IS RECHARGEABLE PORTABLE MOBILE SELFIE RING?

this Rechargeable Portable Mobile Selfie Ring is an innovative lighting solution that caters to the needs of modern smartphone users. It offers a perfect balance of portability and functionality, making it suitable for a variety of scenarios—from casual selfies to professional photography. Its lightweight design ensures that you can carry it anywhere, while the powerful lighting transforms your photos and videos, making them more visually appealing.

KEY FEATURES

- Rechargeable Battery**
Equipped with a 2000 mAh lithium-ion battery, the selfie ring ensures long-lasting performance, allowing you to capture stunning images for up to 10 hours on a single charge.
- Adjustable Brightness**
With 10 brightness levels and 3 light modes (Warm, Cool, Natural), you have complete control over your lighting environment, ensuring that you achieve the perfect look for any setting.
- Universal Compatibility**
Designed to work seamlessly with most smartphones and cameras, this ring light is an essential tool for anyone looking to enhance their photography.
- Compact and Portable**
Measuring only 6 inches in diameter and weighing just 200 grams, it's easy to carry and set up for any occasion, ensuring you're always ready to shoot.
- Wireless Remote Control**
Included wireless remote control allows for easy operation from a distance, making it perfect for group shots or solo photography.
- Durable Build**
Constructed from high-quality plastic and aluminum, this selfie ring is built to last, providing reliable performance for all your lighting needs.

INDOOR USES

- Perfect for home studios, enhancing video calls with professional lighting.
- Ideal for makeup tutorials, ensuring true-to-color lighting for beauty enthusiasts.

- Great for family portraits, providing soft and even light that flatters all skin tones.

OUTDOOR USES

- Fantastic for outdoor selfies during golden hour, capturing the best natural light.
- Perfect for events and gatherings, ensuring everyone is well-lit in group photos.
- Useful for live streaming in various environments, guaranteeing consistent lighting.

KEY BENEFITS

Creator Benefits

- Enhances content quality with professional lighting.
- Increases engagement on social media with eye-catching visuals.
- Simplifies shooting process with adjustable settings.

Professional Benefits

- Improves brand image through high-quality content.
- Saves time in post-production with perfect lighting.
- Boosts productivity by allowing for quick setups in various locations.

TECHNOLOGY & PERFORMANCE

this Rechargeable Portable Mobile Selfie Ring utilizes cutting-edge LED technology, providing consistent and adjustable lighting that mimics natural light conditions. The inclusion of Bluetooth 5.0 ensures quick and reliable connectivity, paired with an efficient battery management system to maximize usage time.
